He also fells a most agreeable volatile Salt, highly useful for such Gentlemen of the Train, as cannot bear the offensive Smell of Gun-Powder. And he will extract Grains of Gun-powder out of Ladies Faces, Necks, Arms, or other Parts of the Body, at the most reasonable Rates.

N. B. The said *Sieur* ROCQUET fells, Wholesale or Retail, all Sorts of Legs, Arms, Eyes, Noses, or Teeth, made in the genteelest Manner, and as now worn by Persons of Rank in *France* : He repairs and beautifies, in a surprizing Manner, any old, decayed, or lost Parts of Human Bodies ; fills up the Wrinkles and Furrows of Old Age, as well as the Marks of the Small-Pox, with a new invented Paste ; and fells artificial Breasts for Ladies, either *German-plumps*,

plumps, French-tetonettes, or English-primikins, equal, if not superior for Complexion, Softness, and Elasticity, to Natural Ones. He rectifies all bad Shapes, by a new Method of making a *gentle* Incision to the Bone; and filing off the protuberant Parts. He also cures effectually the most stinking Breaths, by drawing out, and eradicating all decayed Teeth and Stumps, and burning the Gums to the Jaw-bone, without the least Pain or Confinement; and putting in their stead, an entire Set of right *African Ivory Teeth,* set in Rose-colour'd *Enamel,* so nicely fitted to the Jaws, that People of the First Fashion, may eat, drink, swear, talk Scandal, quarrel, and shew their Teeth, without the least Indecency, Inconvenience, or Hesitation whatever. He deals only for Ready Money with the Quality and Members of Parliament, but will give reasonable Credit to Citizens, Tradesmen, and Gentlemen of the Inns of Court.

Enquire for the said *Sieur ROCQUET, Surgeon,* at the Bar of *Old Slaughter's Coffee-House.*
